The Third Cambridge Course in Advanced Otolaryngology

July 5th–10th, 1982

Course Secretary:

P. D. M. ELLIS, Ear, Nose and Throat Department,
Addenbrooke's Hospital, Hills Road, Cambridge CB2 2QQ.

Speakers include:

J. C. Ballantyne, Professor N. M. Bleeheh, M. W. M. Bridger,
Mary Catterall, A. D. Cheesman, B. H. Colman, P. D. M. Ellis,
J. N. G. Evans, A. P. Freeland, W. P. R. Gibson,
Professor D. F. N. Harrison, J. W. P. Hazell, G. E. Mann,
P. McKelvie, D. A. Moffat, P. D. Phelps, J. L. W. Wright.

The Third Course will be held at Addenbrooke's Hospital, Cambridge, from July 5th to July 10th, 1982. Once again the aim is to provide an up-to-date account of Otolaryngology as practised in the United Kingdom at the present time. All major areas of the speciality will be included in the programme, which, it is hoped, will appeal to those in training and to more senior surgeons both from the United Kingdom and from abroad. Accommodation and meals have been arranged at Peterhouse and at Corpus Christi College, two of the oldest Cambridge Colleges.

Course Fee—includes registration, accommodation and all meals: £200.

Further details may be obtained from the Course Secretary.

(The Course is recognised by the Advanced Post-Graduate Training Scheme)
